

1U Rack-Mount Power Strip, 120V, 15A, 5-15P, 12 Right-Angle 5-15R Outlets (6 Front-Facing, 6 Rear-Facing), 15 ft. (4.57 m) Cord

MODEL NUMBER: RS-1215-RA

Highlights

- 12 NEMA 5-15R outlets are spaced apart to accommodate bulky transformers
- Lighted on/off switch with plastic cover is protected against accidental turn-off
- 15 ft. cord with NEMA 5-15P plug is long enough to reach distant AC outlet
- Versatile installation on wall, under counter or in 1U of rack space

Package Includes

- RS-1215-RA 1U Rack-Mount Power Strip
- · Owner's manual

Delivers 120V power to rack-mount equipment in your network closet or server room.

Features

12-Outlet Power Strip for Your Rack Equipment

This 120V power strip is a versatile all-metal cabinet with 12 NEMA 5-15R outlets — six in front and six in back. The outlets are widely spaced to accommodate bulky transformers without blocking any outlets. Unfiltered electrical pass-through makes the RS-1215-RA ideal for distributing alternate waveform UPS or generator power in your data center or network closet's rack enclosure. The outlets are oriented at a right angle with the ground pin at the bottom.

Features Safety Standards and Versatile Installation Options

A lighted power switch with snap-in switch guard confirms on/off status at a glance and helps prevent accidental shutdowns. A 15A circuit breaker protects connected equipment. Detachable mounting brackets allow installation on a wall, under a counter or in 1U of space in an EIA-standard 19-inch rack. The 15-foot (4.6-meter) power cord with NEMA 5-15P plug connects to a compatible AC outlet.

Specifications

OVERVIEW		
UPC Code	037332099402	
INPUT		
Nominal Input Voltage(s) Supported	120V AC	
Recommended Electrical Service	15A 120V	
Voltage Compatibility (VAC)	120	
Input Plug Type	NEMA 5-15P	

Input Cord Length (ft.)	15	
Right-Angle Plug	No	
Input Cord Length (m)	4.57	
Integrated Cord Clip	No	
ОИТРИТ		
Frequency Compatibility	50 / 60 Hz	
Output Receptacles	(12) 5-15R	
Circuit Breaker (amps)	15	
Transformer Accommodation	(9) Yes	
Outlet Orientation	6 front-facing / 6 rear-facing, all with ground pin oriented to the bottom (when viewed in 1U rackmount configuration)	
Right-Angle Outlets	Yes
