Product name

VTech DS6771-3 DECT 6.0 Expandable Cordless Phone with Connect to Cell, Siri and Google Now Access, Silver/Black, 2 Handsets and 1 Cordless Headset

Product description

Complete with Connect to Cell technology, the VTech DS6771-3 DECT 6.0 Expandable Cordless Phone with Bluetooth Connect to Cell and Answering System lets you live a cell- and home-phone-integrated life. Answer a cell or landline call on either of the two included handsets or the headset from anywhere in your home and hear your call clearly with DECT 6.0 transmission. With a touch of a button, enjoy the high-tech benefits your smart phone offers. Even if your smart phone is in a different room, you can access Siri or Google Now from the cordless handsets to place a call, or write or read a text and all other actions these services offer.

With up to 22 minutes of recording time, the VTech DS6771-3 DECT 6.0 Expandable Cordless Phone with Bluetooth Connect to Cell and Answering System grabs calls when you can't. The system also features a full-duplex handset speakerphone, Caller ID, and backlit displays. Add up to up to 5 devices (2 devices can be cordless headsets) in minutes with just one phone jack.
