

KOOL Multi-Use Seating

KFISeating.com

The Kool Collection of seating is ideal for everywhere.

Create spaces with solid or contrasting pairings of polypropylene backs and seats or opt for your favorite upholstered seats for added flare and comfort.

Create a fun and comfortable environment with Kool. Beam Seating shown with upholstered seats, Task in solid and Kool chairs in contrasting seat and back.

Kool Looks Great, Feels Great.

The ergonomic perforated back not only offers an attractive design, it allows for enhanced circulation and air flow. The radius conforms to your back for maximum comfort.
