The SHAX® 6015B Replacement Storage Bag is lightweight and portable. This reliable roller bag features convenient dual wheels and handles to make hauling your tent a breeze. This bag is used to store the 10ft x 20ft / 3m x 6m SHAX® 6015 tent frame and canopy. The heavy-duty 600-denier polyester material is built to last and provides an excellent cover to keep your canopy tent safe when not in use. A hard, flat bottom makes it easy to stand your bag up to reduce its storage footage. The heavy-duty nylon zipper secures shut and allows for quick access. Don't get stuck trying to transport your big pop-up tent from event to event without it!
